Continue to Be Safe and Enjoy the Holidays

We hope everyone had a wonderful Christmas holiday. As we reflect on 2020, we want to say thank you and wish you and your family a happy New Year. As you prepare for the New Year's holiday, please continue to be vigilant. We ask that you do your very best to limit large gatherings, continue to social distance, wear face coverings, practice protective hygiene, and follow the CDC's guidelines for [Holiday Celebrations and Small Gatherings](#).

As a reminder, you must report personal or family illnesses, including any exposure to COVID-19, to Austal Medical. To contact Austal Medical, call 251-445-8585 or email covid_19_medical@austalusa.com. Medical staff will work intermediately through the break and will return your voicemail or email before we return to work.

Again, thank you for your cooperative compliance. Through our combined team efforts, we will get through these challenging times, minimizing the impact on each one of us, our coworkers and our families. Thanks again for all that you do. Happy Holidays!
