## COVID-19 UPDATE

### **COVID-19 Boosters – Onsite Clinic**

USA Health will be onsite **Friday, June 17<sup>th</sup>** from **11:00 am until 1:00 pm** to conduct a booster clinic. Boosters will be administered on a first come, first serve basis and nurses will be stationed the **OC Mur Conference Room** and **Midyard Breakroom**.

Please bring your COVID-19 vaccination record card with you so it can be updated at the time of vaccination.

Hourly/non-exempt employees may take up to three days unpaid after each dose if needed. In this case, occurrences will be waived as personal medical days. Salary employees are required to use personal or vacation time per policy. Please report symptoms to Austal Medical 251-445-8585.

If you have not signed up for the vaccine and want to take advantage of this free on site clinic, please get with your Supervisor or Sam Cordts, HSE Director.

Direct personnel should use FP100.VIRUS. XXXX, where XXXX is their department number. Employees should scan the virus code from the Supervisor when they leave their work area and then scan back into their task when they return to work.

If you wish to receive a COVID-19 booster, but do not want to participate in the onsite clinic, you can visit <https://www.vaccines.gov/search/> to find a COVID-19 vaccine distributor near you:

1. Type in your 5-digit zip code and Search Radius
2. Select the vaccine of your choice
3. Hit the "Search for Vaccines" button
4. The site will generate a list of locations in your search area

### **Symptoms and Testing**

Anyone showing symptoms of COVID-19 are not to come to work and are required to take the following steps:

1. Go to Austal Medical or call Medical at 251-445-8585
2. Take a viral COVID-19 test
3. If you test positive contact [Austal Medical](#)
4. Isolate for at least 5 days
5. You must be cleared by Medical to return to work
6. Wear a mask for 5 additional days
