

CORONAVIRUS (COVID-19) COMMUNICATIONS

June 17, 2022

Austal Case Report – Current as of June 17, 2022

The purpose of this report is to make onsite persons aware of COVID-19 cases and trends in their general work areas. This report displays cases onsite in the last 14 days and is updated daily. Certain employee information is not releasable due to confidentiality laws.

For each case, Austal’s Pandemic Response Plan is executed per CDC guidelines. If you have any questions, comments or concerns, please do not hesitate to contact your supervisor or HR representative. Please report exposure to COVID-19 to [Austal Medical](#).
