

# CORONAVIRUS (COVID-19) COMMUNICATIONS

June 23, 2022

## Austal Case Report – Current as of June 23, 2022

The purpose of this report is to make onsite persons aware of COVID-19 cases and trends in their general work areas. This report displays cases onsite in the last 14 days and is updated daily. Certain employee information is not releasable due to confidentiality laws.

For each case, Austal’s Pandemic Response Plan is executed per CDC guidelines. If you have any questions, comments or concerns, please do not hesitate to contact your supervisor or HR representative. Please report exposure to COVID-19 to [Austal Medical](#).

## Alabama Public Health Community Transmission

**LOW - Masks optional for employees**

The screenshot shows the 'COVID-19 County Check' interface. It includes a search bar with 'Alabama' and 'Mobile County' selected, and a 'Go' button. Below the search bar, it indicates the community level is 'Low' for Mobile County, Alabama. Recommendations include staying up to date with COVID-19 vaccines and getting tested if symptomatic. A note states that masks are optional, and a link is provided for immunocompromised individuals.
