SHOW ME THE MONEY

If your candidate is hired and stays employed with Austal USA for 90 days, you earn a referral bonus! You will receive a direct deposit referral bonus ranging between \$100 - \$1,000, depending on the position you helped us fill.

CHECK ELIGIBILITY

Eligible applicants include anyone not currently or previously employed with Austal. This includes contractors. All full time employees are eligible to receive a referral bonus with a few exceptions--employees at VP level, HR employees, and anyone involved in the interview or candidate selection process.
