

## GENERAL PARKING GUIDELINES (SEE PARKING POLICY FOR MORE DETAILED INFORMATION)

- Speed limit of 5 MPH shall be observed inside the perimeter of the industrial areas and 10 MPH in all parking lots.
- Always Yield Right of Way to Pedestrians
  - Whether or not the pedestrian is using a crosswalk
- Handicap and Special Needs parking spaces
  - Must have state-issued placard or license plate, registered in **your name**
  - Must be vetted and approved through Security
  - Medical needs or special circumstances must be reported to an Austal Medical representative and Security. Upon approval, a temporary dashboard placard will be issued and must be displayed
  - First-come, first served basis. If spaces are full, you must park in the general parking area
- Numbered spaces or other areas marked as RESERVED are by assignment only or have prior authorization from Security
- DO NOT park in Fire Lanes, traffic lanes, or impede production
  - Subject to immediate removal at owner's expense
- Parking violations are processed through HR and subject to disciplinary action
- Park in your assigned area, in a legitimate parking space
  - Not along curb or end caps/yellow hash marked areas
  - Parking lot color must match your placard color
  - **Must display parking placard** at all times while on site
  - Hang from rearview mirror or on front dash
- FA Gravel lot is for Final Assembly and Admin Building personnel
- Blue lot is for Final Assembly and Admin Building personnel
  - first come first served
  - If full, you must park in the Yellow or Red lot (overflow)
- Yellow lot for general OC personnel
  - Overflow into Red lot
- Red lot for MMF personnel
  - Overflow from Blue and Yellow lots
  - All oversized vehicles
  - Vehicles with trailer/boat/camper, etc

*Need a replacement placard (lost, damaged, worn)? Have you transferred to a different location and need to swap your placard?*

***Parking placards are issued by Security at the Visitor Control Center***

***Office hours: Monday – Friday 5am-5pm***
