

TURKEY TOSS AT AUSTAL USA

It's that time of year again - Austal USA's annual Turkey Toss - a long standing tradition where Austal USA's leadership team distributes thousands of turkeys to its employees, ensuring every member of the team receives a holiday centerpiece as a token of thanks for their hard work and dedication throughout the year. What began over a decade ago has grown into a major company event, often extending its generosity to the local charities reinforcing Austal's commitment not only to its employees but also to the boarder community.
